

**REMARKS**

The substitute drawings have been submitted to replace original filed FIGs. 3, 4, 7, 9, 11, 13, 15, 16, 18 and 19 of the present application.

Applicant respectfully submits that the background images in the original drawings are merely examples for illustrating the multivision filter effects of the present invention. The substitute drawings merely replace the original background images with another set of background images while the rest (e.g., the dots, the vector, the dotted circle, etc.) remains unchanged, and therefore should not contain new matter.

Entry of the above amendments is respectfully requested. An early and favorable first action on the merits is earnestly solicited.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
